## Western Regional 4-H Leaders' Forum

Roundup all leaders and head to Colorado for the Western Regional 4-H Leaders' Forum February 25 - March 1, 2009. Don't miss the most energizing and educational forum for 4-H volunteers this side of the Rockies! Don't get left out of this roundup of hands-on experiences, sharing ideas, developing friendships, motivational speakers, and workshops to address your interests and challenges. Just a reminder that if you are planning to go to Western Regional Leaders Forum (WRLF) in Denver, February 25-March 1, and you are seeking council support to attend, the **Deadline** for requests is **December 1** (which is the earlybird registration deadline). Please fill out a scholarship application and return it to the office before noon on December 1 so we can notify all those requesting funds of the portion they will receive before the deadline passes. WRLF is an excellent way to learn more about the 4-H program and provides the opportunity to meet other 4-H leaders from the Western states and share ideas. If you have any questions, please call the Extension Office.
